The text inside the dialog box reads: "You're all ready!" followed by "The username @mydogisamaizing has been created for Name." Below this, it says "It's now easier for people to find your Page in search. People can also visit your Page at fb.me/mydogisamaizing and send messages to your Page at m.me/mydogisamaizing." At the bottom right of the dialog box is an "OK" button. In the background, the Facebook page navigation menu is visible, with "Name" and "Create Page @" circled in red. The top navigation bar includes "Page", "Inbox", "Resou...", "Manage jobs", "Notifications 1", "Insights", "More", "Edit Page Info 5", "Settings 5", and "Help". At the bottom of the page, there is a "write a post..." field and a search bar for friends to invite.

The screenshot shows the 'Create post' window in Facebook. At the top, it says 'Create post' with a pencil icon and a close button. Below that is a profile picture of a black dog and the text: 'Why sell low-price pet toys? - because we want all pets to feel happy and we know what two toys will make it better than one. :)'. There is a small green checkmark at the end of the text. Below the text is a row of icons: 'An' (Analytics) and a smiley face icon. Underneath is a menu of options: 'Photo/Video', 'Get messages', 'Feeling/Activity', 'Check In', 'Watch Party', and 'Tag products'. At the bottom, there is a blue information box that says 'Post scheduling and additional options are available in Publishing tools.' and two buttons: 'Boost post' and 'Post'.

I ordered 5 things from this website. And I received only 3. I wrote them a letter about this issue and they didn't bother writing me back. It gave me a really awful first impression about how you treat your customers. I will turn to customer protection since you didn't want to solve the error that you made in the warehouse when packing my order. Cheaper prices than in my home country but it's not worth ordering next time when I don't get my complete order. I recommended your webpage to my friends but now I will warn them about your site.
