Self-Reflection – Challenges, Limitations and Beyond

SMM4WIN Project:

**Social media marketing skills for fostering the inclusion and employability
of young people with disabilities”, no. 2019-2-PL01-KA205-066133**

Training program “**SMM: Social media marketing**” for young people with disabilities

SELF-REFLECTION

Purposeful and critical analysis of the acquired knowledge and experience

An important part of the learning process, as it forms a link between the knowledge taught and the idea of how to apply this knowledge in personal life

Understanding the application of new knowledge and experience creates personal significance and contributes to reaching higher results

It promotes personal growth

STEPS OF SELF-REFLECTION

STEP 01

What new did I get to know and learn?

STEP 02

How can I use new knowledge and skills?

STEP 03

What will I do next?

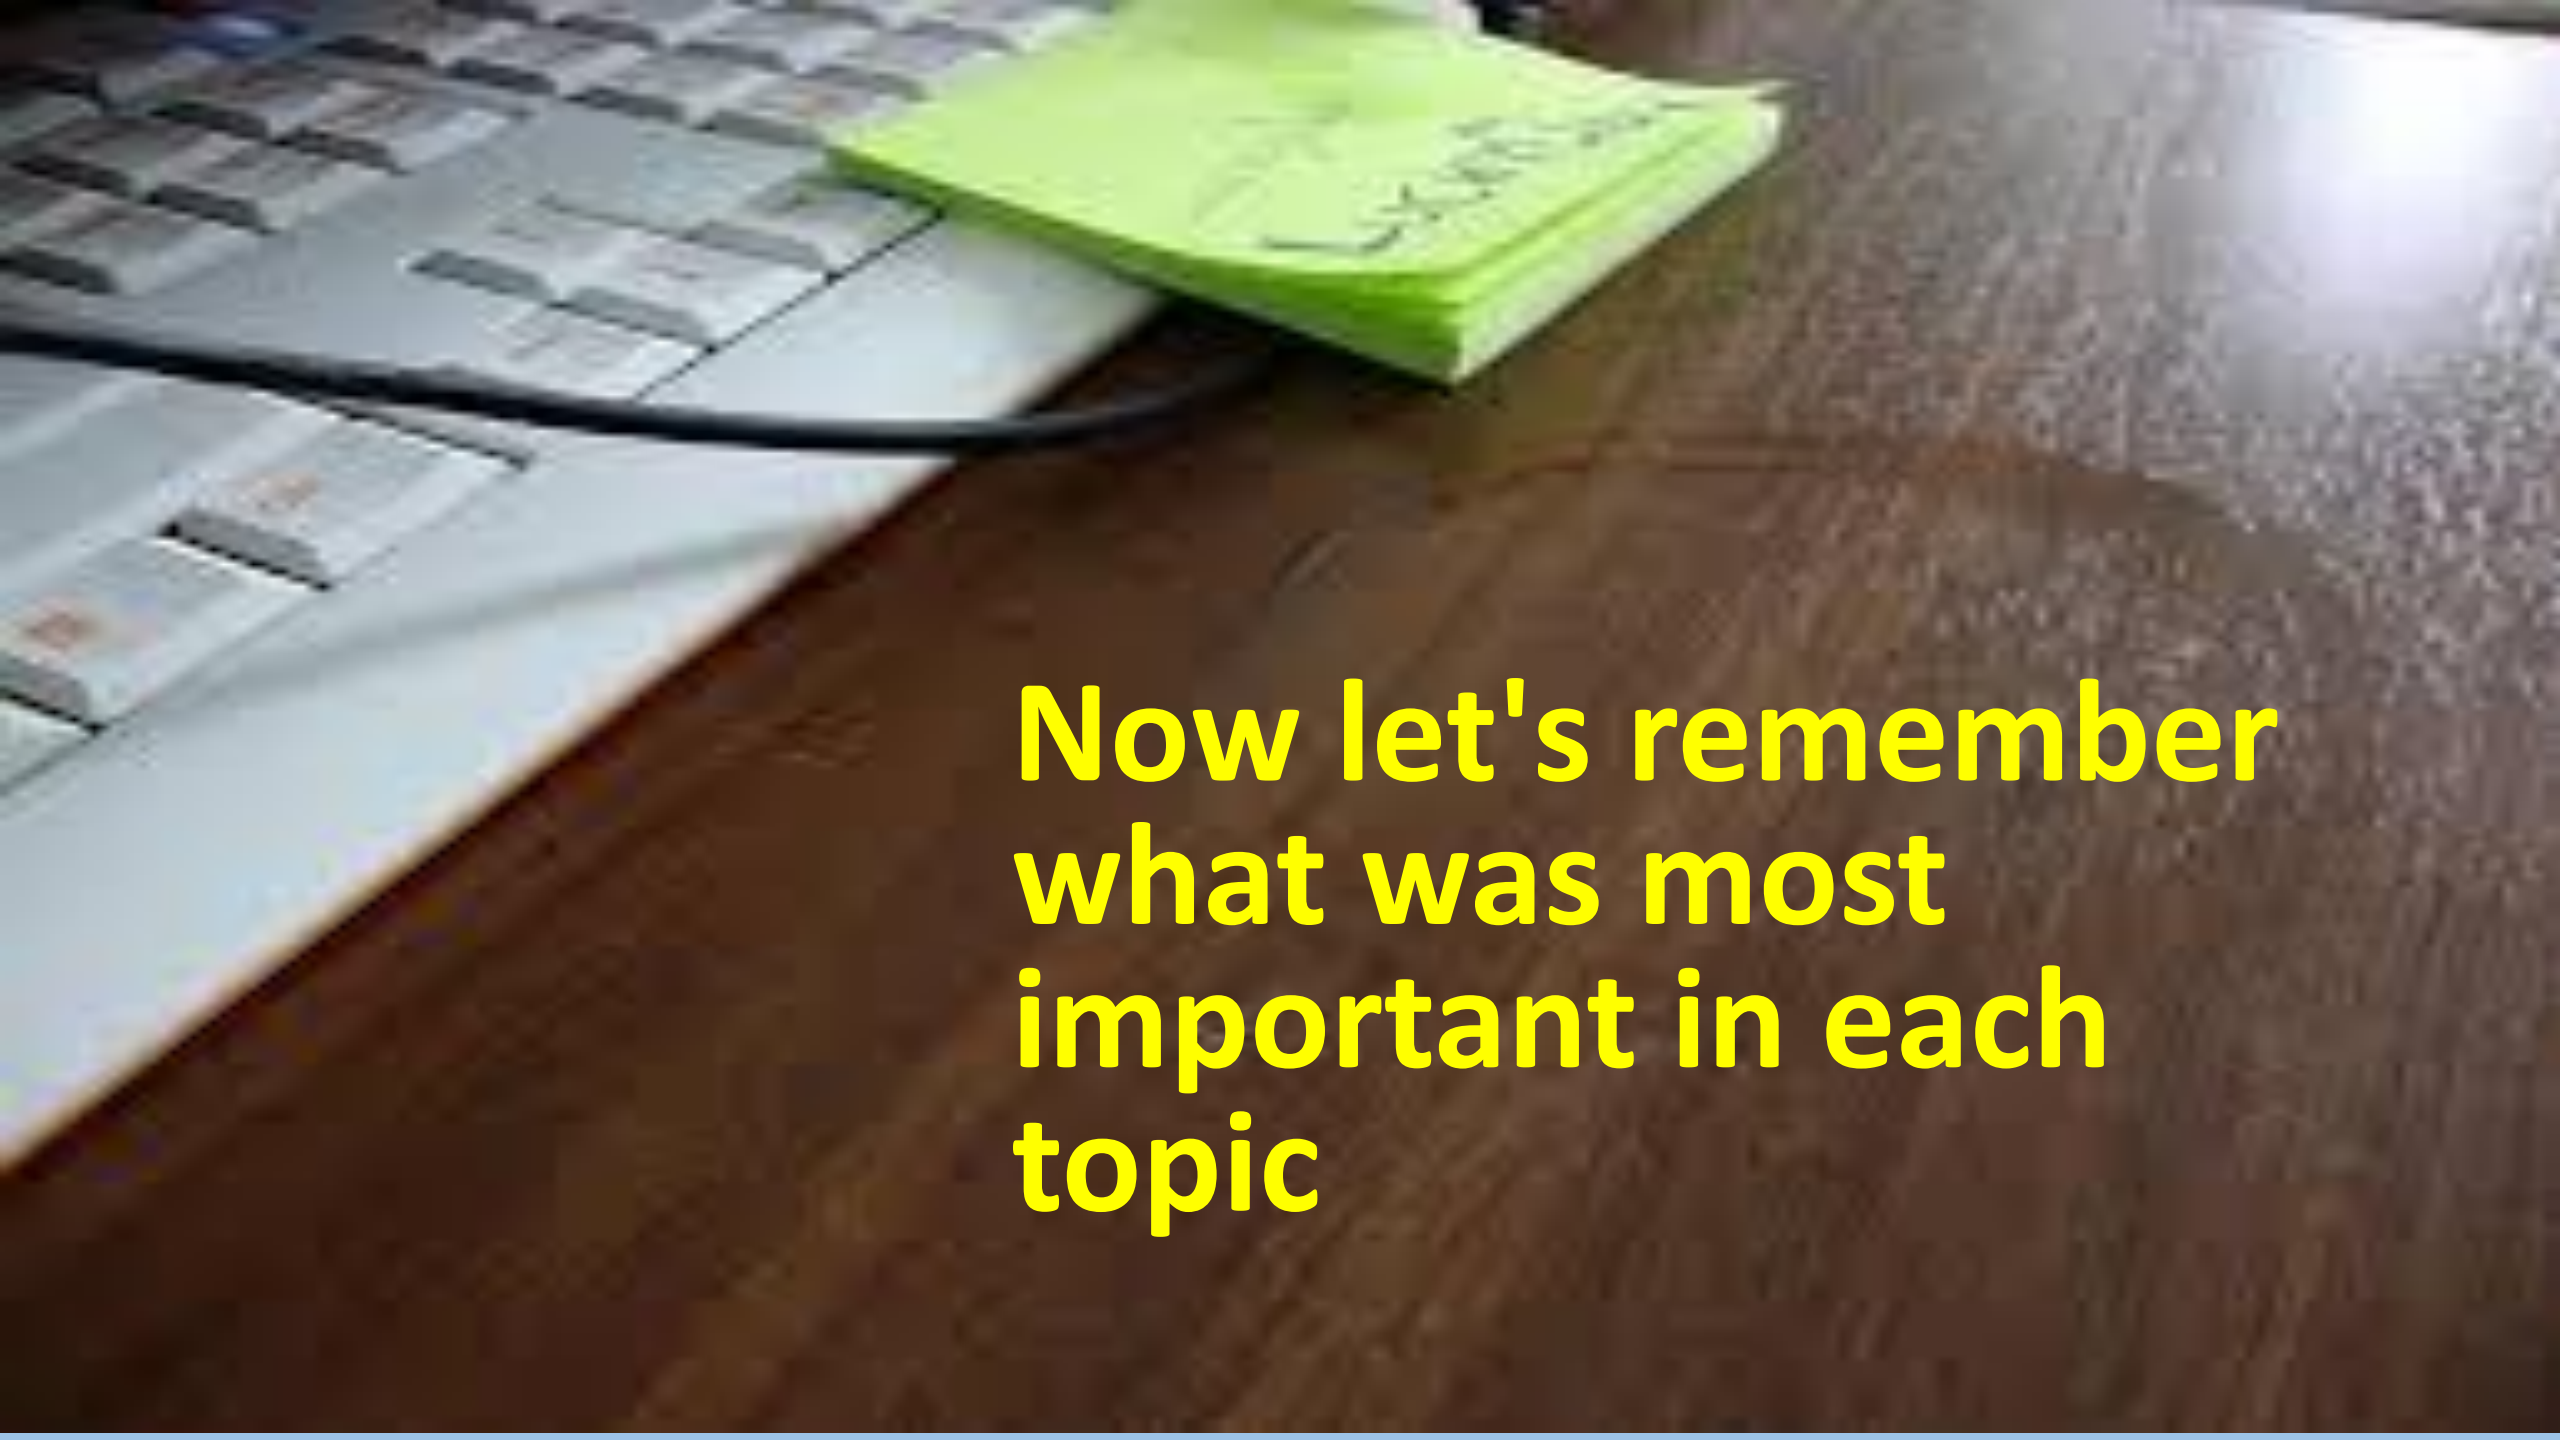

STEP 04

What else do I need to learn? What support is needed?

Describe in one word -
